Together We Make A Difference

## SICA "KEY" ISSUES

### Beaches and Dunes Erosion

SICA spearheaded the Beach Coalition, which includes communities throughout Palm Beach County. Protect Our Beaches now has a voice at the State and Federal levels.

We also need to protect our oceans and Intra-coastal waterways from debris which has a negative impact on our eco-system. Beach Clean-up: Second Saturday of the Month

### Lake Worth Lagoon

SICA has a long history of concern for the preservation of our island's habitat and natural assets. As important as the ocean is to our Singer Island culture, ecology and economy, so too is that portion of the Intracoastal Waterway bordering western Singer Island known as the Lake Worth Lagoon.

SICA owns property along N Ocean Drive that was purchased in 1999 to assist in preserving the lagoon environment.

### Island Safety and Security

In January 2012, SICA initiated 'securing our island corridor' with the Riviera Beach Police Department for state-of-the-art security cameras and License Plate Readers (LPR) at the Blue Heron Bridge and the island's north-end of N Ocean Drive ... completed in June 2014.

### Ocean Mall

Support the lease/development to expand the tax revenue base. **A destination that beckons, locals and tourists alike, to return again and again!**

Resident Updates: Relocation of the SI Post Office – reopening late Summer 2017

### Community Re-development:

Land Use Regulations | Zoning | Comprehensive Plan

Update Island Land Use Regulations

Encourage public/private partnerships and economic development; foster development of a long-term vision and strategy for Singer Island ...

City of Riviera Beach language is silent on the regulations of Substance Abuse Housing & Treatment Facilities operating in the City.

### State, County, and Local Governments

Working closely with our elected officials to advocate for the interests of Singer Island residents and businesses at all levels, especially at the local level of government.

### SUBMERGED LAND

How do you want the submerged land along A1A developed? Do you want it developed? SICA is active in a plan to control any submerged land development and protect our environment. With your help, we can retain the waterfront views and beauty of Singer Island. Join Singer Island Civic Association today.

### SICA NEWSLETTER

Membership in SICA insures that you will be an informed island citizen. Newsletters are sent out periodically throughout the year to keep you alerted on such things as beach erosion, crime prevention, submerged land, zoning changes, beautification, etc. Keep in touch—become a member of your community—join SICA.
