Dear Islanders,

First, a big thank you to all Singer Island Civic Association members and previous board members. **We are 50 years strong**, and I am looking forward to watching SICA prosper in the future.

I am very excited to be stepping into the role of President for the Singer Island Civic Association. I'm honored to follow in the footsteps of our incredible former presidents, but realize the challenges that lie ahead.

Our Beautiful Island has a wonderful blend of residents, friends, and tourists. Each of us have unique perspective, talents and passions. I encourage us all to join the journey and get involved, volunteer, and work tirelessly to ensure our Singer Island remains a paradise.

This is your SICA, and as a member you are not just part of our association, but also part of our island family. Together we will do amazing things to shape our island for future families and friends to enjoy.

I am always available, and invite you to reach out to me at jgustafson@singerislandcivic.org

I look forward to servicing as your President for the next two years.

Best Regards,

Jon Gustafson,
President
